

Prior to and between spa rentals, the following procedures will be performed by janitorial staff in an effort to assure freshness and the safety of Wellsprings' patrons:

1. Tile floor surfaces – between mats - are swept;
2. Open lockers are wiped down with **surface cleaner** * to remove grime, then lockers are closed;
3. Toilet seats are cleaned with **surface cleaner** *;
4. Sink and counter surfaces are sprayed with **isopropyl alcohol concentrate****;
5. Shower and sink handles, toilet handles, drinking fountain handles, metal steam room and sauna door handles are sprayed with **isopropyl alcohol concentrate****;
6. Steam room surfaces are sprayed with water. **Essential oils** *** are dropped into steam diffusers, unless otherwise requested;
7. Trash containers are emptied;
8. Entrance table is re-stocked with face masks and **hand sanitizer solution******.

- **surface cleaner** * Dr. Bronner's SAL SUDS Biodegradable Cleaner or Mrs. Meyer's Clean Day;
